The homeowner accepts full responsibility for the installation and maintenance of the above described modification, if approved by the Association. The Association will not be responsible for any liability, damage or maintenance incurred by said installation. The modification submission will not be reviewed for structural requirements or conformance with applicable building codes or county ordinances, as these are the responsibility of the homeowner. The homeowner also hereby agrees to maintain the installation in a way that will not deter from the aesthetic appeal of the community. All work shall be subject to final review by the Association. Upon completion of the modification, homeowner shall notify the Association. A final review of the modification for compliance with the terms of the permit will be performed within 30 calendar days after the receipt of the notice of completion.
